

Just to let you know...

The children's adventure stories are looking fantastic and we are enjoying reading their drafts. We've been so impressed with how much effort they've put in!

We will shortly be designing a storyboard, preparing the scene and shooting an animation for a part of their adventure story.

Dear Parents,

We had a great morning at County School and enjoyed lunch in the sunshine at the castle grounds.

Following the children's 'tuning up' lessons in clarinet, there will be a short concert for them to perform what they have learnt, to you. This will be from 2.30—3.00pm on Monday 17th June and will be held in the chapel. Please also encourage your child to keep practising at home—they know what pieces they will be playing in the concert.

Year 6 are hosting a film night, as a fundraising event. It is on Thursday 13th June and will be the premiere of Disney's latest animated blockbuster 'Wreck It Ralph'. This will start at 3.30pm and costs £3.50, which includes entrance to the film, a bag of popcorn, an ice lolly, a drink and a raffle ticket.

Best wishes,
Bec, Henry, Alison, Heather and Anna

In maths this week, we conducted a survey of the businesses in Guildford High Street (many thanks for all your help). The children will be presenting their results in a variety of ways including graphs and charts. This will allow us all to analyse how Guildford town centre is used and to compare it to the locality of Corfe.

Don't forget to keep up with 'Mathletics'. Your child's teacher has a copy of their username and password, if they have forgotten them.
