

JUST TO LET YOU KNOW

CURRICULUM NEWS

Maths

We have had a great week of maths this week topping up on our knowledge of fractions. The children have been adding and subtracting fractions of the same denominator using visual methods and number lines. Some children even challenged themselves to add together fractions with different denominators!

Literacy

Speech punctuation was the focus of our English lessons this week. The children converted speech from cartoons into sentences.

Topic

This week the children have been making bunting! We have learnt a simple running stitch, how to attach buttons and ribbons as well as some blanket stitch. The bunting looks absolutely fabulous and will be a great display for both our tea party and the parents open afternoon on the 13th July.

Healthy Week

The children have had some great opportunities for exercise this week. We had great fun on Tuesday afternoon learning a dance from Boogie Pumps. On Wednesday 3C and 3G had speed skipping lessons and learnt some really fancy skipping moves. A few even managed to skip Double Dutch!

Reminders and Notices

Help needed!

We really need any spare crockery eg. Cups, saucers, milk jugs that we could possibly borrow for the Tea Party. If you could possibly let us know in advance that would be wonderful and then bring them in on the morning of 25th June. We have had lots of lovely offers for cake, thank you so much. Any cake that is left over will be sold in aid of Age Concern at the end of the school day.

Sleepover 3rd July

Preparations for the Sleepover are progressing well, thank you for sending in the medical forms. Please come and see your class teacher if you have any concerns at all! We are so keen that everyone joins us for this wonderful experience. Over the coming week we will be sending out emails providing more detailed information to the kind parents that have offered to help on the day. We will also be sending home a kit list with the children.
