

Maths

The children have worked really hard in Maths this week using some of the Maths skills they have learnt this year.

Friday 5th June 2015

Challenge Box!

Why not have a go at making your own dinosaur models out of clay, plasticine, play dough or even bread / biscuit dough ? Find pictures on the internet and make your models as realistic as possible! Please save them for our dinosaur museum on 6th July.

English

We started the week by sharing our half-term holiday news and highlights. The children enjoyed writing about their week and worked hard to include lots of detail.

We had an exciting Friday morning meeting a huge variety of pets! This inspired us to use all our senses to write some super animal riddles.

Year 2 News

Natural History Museum- Tuesday 9th June

We will be leaving school as close to 9 o'clock as possible. It would be great if the children could be in the classroom with their bags and coats by 8.45am. Thank you.

Water Bottles & Sun hats

Please make sure your child has a named water bottle/ sun hat in school every day from now on.

Healthy Living Week— 15th June
