

Just to let you know...

English

This week in English we have been learning about newspaper articles. The children have looked at the features of a news story and considered the importance of news. They then planned and wrote stories using unusual images as a stimulus. Have you heard about the fairies that were recently discovered? Or the dog with 12 legs? Check out your children's reports to find out more!

Dates for your diary!

Each Year 5 class will be taking part in a survival skills day led by a former teacher from Holy Trinity called Tim Burgess. The children will need to wear old clothes. The day will include shelter building, collecting rain water, lighting fires and making traps. This will take place:

5H—Friday 5th June, 5C—Friday 12th June,
5N—Friday 19th June

Further dates include:

Summer Fair - Friday 12th June
Intech take 2 - Thursday 9th July
Open Afternoon- Monday 13th July

Homework

Please can you write your newspaper articles up in neat. It should include a picture with a caption. The article can either be written by hand or typed and printed off. Feel free to email any work if you don't have a printer.

Maths

Multiply, dividing, adding and subtracting decimal numbers has been the focus this week. We have talked about different methods for approaching these problems, paying particular attention to the importance of place value. Can you solve this problem?

$$1.83 \times 7 =$$

Castle Building was great fun!
