

Just to let you know...

English

Creating an adventure story with a clear beginning, middle and end is a time consuming process. We have spent lots of time editing, reading and improving our adventure stories. This approach allows the children to see their work as an on going process rather than a quick task to rush through.

Dates for your diary!

Thursday 2nd July we will be heading onto Guildford High Street to conduct surveys as part of our Guildford LEAPS project. We need lots of adult support for this so please get in touch with your class teacher if you are free from 9-12. Thank you. We will be back for district sports. 5N's outdoor day is the 6th not the 5th of July! Sorry!

Further dates include:

District Sports - Thursday 2nd July
5N outdoor day with Tim - 6th July
Intech take 2 - Thursday 9th July
Open Afternoon - Monday 13th July
Sports Day - Tuesday 14th July

Maths

We sometimes forget just how much we cover in a year! This week we have been setting assessment tasks for the children. It is always really satisfying seeing the improved scores and the depth of the children's understanding. Some children can find these assessments stressful but please be assured they are a very small part of a very big picture.

Homework

We have set the children a task imagining they get paid for small jobs around the house. It involves using money in realistic situations. Good Luck
