

# Just to let you know...

## Maths

This week we have been revising work on angles. They were able to find the missing angle on a straight line, in a circle and in rectangles. Some children went on to explore the rules of angles on parallel lines.

## Classes for next year

We are thinking carefully about your child's class for next year. If you have any thoughts or concerns please speak to Clare as soon as possible, **not your child's class teacher.**

## Literacy and Topic Work

Children have been working extremely hard in Literacy editing and improving their adventure stories. They have thought hard about how to interest their reader and how they can make their descriptions as exciting and detailed as possible. The resulting stories are a joy to read and the children have enjoyed sharing them with the rest of the class!

## Spellings

Plus 2 spellings of their own.

Accept/except

Affect/effect

Ball/bowl

Berry/bury

Brake/break

Fair/fare

Grate/great

Groan/grown

Here/hear

Heel/heal/he'll

Knot/not

mail/male

Millmead House Trip Monday  
13th June

In conjunction with our topic this half term on the Guildford Plan we will be taking the children down to Millmead House to hear more about some of the details involved. If you are able to help with walking down, staying with us and walking back, we would be very grateful. We will be leaving school at 1.00pm and will return to school by 3.00pm at the latest. Please talk to your child's class teacher.

## Homework

We would like the children to write down a timetable for the weekend. They need to record start times and finish times and record **how** they got to different places eg. on foot, by car, bike etc. Then they can record the duration of each activity. Please use the table that we have sent home with your child.
