

JUST TO LET YOU

Maths

Finding the inverse has been our focus in maths this week. The children used number lines to solve inverse addition and subtraction operations. They then used this knowledge to complete fun arithmagons!

English

In English the children have been reading Rose Blanche- a book written from the perspective of a German girl during WW2. They identified the structure and stages in the story using a 'story mountain'.

Science

The children had great fun learning about electricity this week. They identified the different household appliances and devices that use electricity and realised how much we depend on it! They also learnt about the dangers of electricity and designed their very own safety posters

Reminders and Notices

Next Thursday and Friday (23rd/24th June) Year 3 will be enjoying an exciting two days in Year 6 with Patrick, Maggy, Emily and JJ. They will be completing a range of exciting activities focused on exotic islands! This is while the Year 2 pupils come up for two days of transition activities in preparation for next year.

Please note that on Monday 27th June there is a Mid-Summer Holiday. There will be no school on this day.

Good luck to all the HTPD Fun Runners this Sunday (19th June). Please arrive at least 15 minutes before the race begins to join in a fun warm-up led by Nick and JJ!

Please remember to invite older family members or friends who had first hand experience of WW2 to our Year 3 Tea Party on the 19th July.

Spellings

Due to the Year 2 transition days next Thursday (23rd) and Friday (24th) there will be no spelling test next week. Please complete extra times tables and number bonds practise!
