

Move Up Days to Juniors

Please remember that for those moving up to Holy Trinity there will be two move up days on **Thursday 22nd and Friday 23rd.**

Children will need to be dropped off to Holy Trinity in the morning at 8:40am and picked up from there in the afternoons at 2:40pm. There is also a parent meeting in the Chapel HT at 7pm on Thursday 22nd June.

Children will be spending time with the whole of the new Year 3, with children from other schools joining HTPD too. They will meet the Year 3 teachers, and get to know the school really well over the two whole days. The Year 2 team will be around at HT, looking after the current Year 3.

Friday 16th June 2017

We enjoyed a quick visit to the Junior School on Tuesday morning for a play and to explore as a year group. We enjoyed running about the giant Astro, adventuring on the Adventure Trail, finding our way around Year 3 and 4 corridors and the library, and munching our fruit snacks in the Chapel.

Natural History Museum

Monday 19th June

We will be leaving school as close to 8:45am as possible. The children need to be in the classroom with their rucksack, packed lunch, water bottle and coat **by 8.30am** on this day.

Children must wear their school uniform, but do not need their book bags.

Thank you.

Maths

We have practised all of our maths skills this week, and thought in particular about reasoning skills in our maths thinking. How do you know what you know (in maths)? Can you give a reason or an explanation of how you thought about getting to your answer? These are really important maths thinking skills, which we will continue to develop as children move through the school. Do talk to your children about their learning, and help them to think about and explain their thinking.

English

The children have really enjoyed creative writing, using all of their writing skills. We are really proud of how well every child is getting on with their writing. Their ideas, sentence skills and handwriting have all made such a lot of progress through the year. The children have enjoyed looking back at our books, noticing their own learning and progress in writing since September.

Homework :)

Great work on Lumio everyone! In the Green Books we'll be focussing on spelling and times tables now until the end of term.
