

# Just to let you know...

Dear Parents,

We hope your children enjoyed the residential trip to Bentley Copse as much as we did. They were an absolute pleasure to spend time with and were polite, kind and caring to one another. We were impressed by the way the children joined in with every activity and overcame any fears they had. Thank you for all of your help and support with this trip. We really couldn't do this without you!

Please can you ensure you have made your payment for the trip.

Have a great weekend ,  
James, Jo, Rachel, Maggie, and Georgie

## Reading records

Reading journals are now back to normal and we should be receiving them on a Wednesday. Please ensure your child has read three times during the week and completed a written task.

## Warm Weather

As the weather has started to warm up please can you make sure your child has applied sun-cream and has a hat in school. It is really important that they also have a water bottle that they can refill.

## Spellings

Please look at and learn these spellings for Monday 19th June. We are continuing with dictation with the children, which is working well to help them understand the meaning of each word.

busy, business, calendar, court, centre, century, certain, circle, complete, consider

## Maths

This week we have been consolidating our learning of symmetry and angles. We were really impressed with how well the children have used a protractor and how well they can identify different types of angles (acute, obtuse, right an reflex). Why not encourage your child to see if they can recognise the different angles in and around your homes?

## Dapdune Wharf Trip

On Tuesday 4th July 4JW and 4R will be visiting Dapdune Wharf as part of our topic work. On Wednesday 5th July 4JM will be going. We would love some parent help so please email your child class teacher if you are able to help out. The children will need to be dropped at Dapdune for 9am and then we walk back to school in the afternoon. This is a lovely trip and the children have some great activities to take part in.

## English

This week we have been planning and writing adventure stories. The children have had a chance to write a setting and design a character for their story, which they have really enjoyed. They have written the introduction to their story and will continue to write these next week.
