

JTLYK RECEPTION

Friday 16th June 2017

Friendship Forms

Everyone should have a Friendship Form to fill in.
Please return them by Monday 19th June.

Golden Boot Challenge!

Today we all completed our **second** Golden Boot online survey to monitor how 'green' our journey to school is. Our third challenge day is **next Friday** so don't forget to try to walk or scoot to school, in groups or alone. We win points every time we use the car less!

Whole School Photograph

The children were brilliant yesterday when we all walked to HT for our whole school photo! There was a bit of waiting around which the children took in their stride and we ALL managed to smile at the same time. Well done everyone!
Thank you too to the lovely mums who came to help.

Dear Parents

We have learned all about 'halving' this week. The children have made sandcastles (any excuse to get in our gorgeous sandpit!) and halved them, even telling us when they were not halves because both sides weren't the same! Some of us have looked at how to half a number by 'sharing' cubes between two, checking carefully that they are the same.

Today we decorated 'half' biscuits with delicious icing and raisins taking care to count carefully.

We had a brilliant time at the Look Out on Wednesday. The weather was beautiful and the children were extremely well behaved. There should be a discount voucher from the Look Out this week in your book bag, so if you have not been before there is no excuse now!

Have a safe and restful weekend.

The Reception Team :))
