

# JTLYK RECEPTION

## Friday 30th June 2017

### Golden Boot Challenge!

Well done everyone for trying hard with our green challenge! Results will be announced next week and the winning class will receive a golden boot trophy!

### WILD PLACE

As this is one of the last times we will be going, this year, please sign up to help!

### International Days

During the final week of term we are celebrating all of our international families and their cultures. If you would like to come in a talk or share photos/costumes/traditions from your country we would LOVE you to tell us all about it! Please let us know if you are available to come in and talk to the children on **Monday 17th July**.

Dear Parents

Yes, we have been 'buzzing' this week and what busy little bees we have been!

We have learned all about these fantastic little animals and the children understand why they are so important to our environment, not to mention our food supply! We have tasted lots of honey and voted for our favourite (which was Rowse honey!). The children have used the construction resources to make hives, honeycombs and cocoons. We have researched facts about mini beasts and written our questions independently, sometimes using a ? question mark.

We were also very lucky that Sophia Pentekainan's Daddy came in to show us his bee keeping equipment and some fascinating honeycombs.

Have a safe and happy weekend!

Reception Team :))
