

### Topic fun

It has been an absolutely fantastic term! We have had a great time and the children have worked really hard—they all deserve a big pat on the back!

### I'm bored box.

Go outside and enjoy the fresh air! Pick up a ball, a Frisbee or an old toy that you haven't played with for ages and see if you can invent a new game.

Use lego, blocks and your teddies to make an Easter garden.

Have you got a brother or sister? Why don't you find your favourite book and share it with them. Read it together and tell them why you like it so much. Ask them about theirs.

### Maths Corner

Over the holidays it would be great if you could keep doing some bits of maths when you get a chance. It doesn't have to be anything special, but it will make a big difference when we get back for the summer term.

Try putting things into equal sized groups. How many groups have you got? how many things altogether?

Keep practising that adding up and taking away! If you want a challenge, try numbers that go over a hundred.

Why not do some cooking together and have a go at weighing and measuring. Can you read the scales?

### Things to remember...

We have sent some folders home with some of the topic related work the children have done this term. Please can we have the folders back as we will use them again next term.

It is really important that everyone has wild place gear as soon as we come back next term. We will be going early in the first week, so please be prepared.

### Nuts and bolts.

Thank you and well done to all the children, mums and dads who have been practising our long list of spellings. It is making a real difference to the children's writing. Both these lists are on the website, please check it out if you have time over the holidays and keep practising!

### Writing Corner

We have done loads of different kinds of writing this term! Over the holidays it's your turn to choose! What would you like to write? Bring your writing in to show us after the holidays!

*Commas, and, but, so, because, which, different ways to start your sentence, time words, adverbs, describing words, similes - what can you include in your writing?!?!?*
