

# Just to let you know...

## Words of the Week

bough	rough
although	tough
through	enough
though	plough
cough	thorough
prediction	irreversible
conclusion	reversible
fair	

Dear Parents,

Just a quick reminder about the meeting for Bentley Copse on Tuesday 19th March, at 7pm.

Have a lovely weekend,  
Best wishes  
Julia, Nick & Mel

In maths this week we have been learning about decimals, partitioning to know the value of each digit, ordering and adding. Have a look at the two MyMaths links below for more support.

<http://www.mymaths.co.uk/indexLog.asp?h=67860>

**Or for something more challenging**

<http://www.mymaths.co.uk/indexLog.asp?h=67860>

Login = **pewley**, Password = **squared**

Check out the mathematics decimal task for this week! <http://www.mathletics.co.uk/>

Over the next two weeks we will be reviewing time and money.

## Crazy Idea

We have asked the children to think what crazy (completely silly and useless!) invention they can design and make at home for our science exhibition.....eg: paper wellies, a toothbrush made of sweets or a chocolate tea pot!

More details to follow next week. Year 4 have also been writing letters to the innovation and technology dept. for crazy inventions, to persuade them to invest in their crazy idea!

## Science Exhibition

Inviting all parents...  
2.00pm Tuesday 26th  
March, in the forum.

## SCIENCE MUSEUM TRIP

Monday 18th March

Please arrive for registration at **8.30am**  
A home packed lunch and school uniform are needed for this fabulous trip please.

We are aiming to be back for 3.30pm.

## COMIC RELIEF

Thank you to all those who have helped us raise money, bake and provide ingredients.
