

# Just to let you know...

## Words of the Week

adjective  
adverb  
admire  
advance  
advise  
advent  
addition

adjoin  
adjacent  
adjust  
invention  
exhibition  
design  
experiment  
Easter

Have a lovely weekend, helping your child make their crazy invention!

Best wishes,  
Julia, Mel and Nick.

## Science Exhibition

Inviting all parents....

Tuesday 26th March in  
the forum, 2.00pm

## Crazy Idea

We have begun our adverts for our crazy ideas and decided what materials we will need to make them at home now.

A toothbrush made of sweets or maybe a waterproof teabag....?!  
Please see the parentmail sent on Tuesday for further details.

## SCIENCE MUSEUM TRIP

What a fantastic day we had at the Science Museum! It really is worth going back for a family visit to explore further. Maybe an Easter holiday activity?  
Thank you to all those who came along.

In maths this week, we have been looking at time and money. Next week, we will be revisiting the 4 operations (+ - x ÷), which will lead us into solving real life word problems at the start of next term.

Please keep revising angles with your child. Can they begin to add up angles to 180 and 360 degrees? What criteria make angles

MY MATHS WEBSITE
