

Just to let you know...

Phonics

Week beginning 25th March—We will be learning how to write the Zig Zag monster letters— z,x,w,v in curly school writing.

In the first week after Easter we are going to recap our sounds and then have a go at reading and writing some tricky words! If your child would like to have a go at writing some tricky words from their key word books we'd love to see their lovely writing.

Maths

Week beginning 25th March— We will be learning to write the numbers 6, 7, 8 , 9 , 10. 'All numbers start at the top.'

In the first week after Easter

Our maths focus is going to be sorting. We'll be sorting numbers and all sorts of objects.

We'll sort them according to colour, size, type etc...

The children will be also be asked to explain why they have sorted something in a certain way. Perhaps have a go at sorting your teddies or your Easter eggs at home.

Thank you to Sian's Dad who came to talk to everyone about his memories of the first men landing on the moon. He told us about the stars, his telescope and answered lots of really good questions. Space LEAP has been fascinating for the children and we are amazed by how much they have found out. Thank you for the brilliant space books, information and jigsaw puzzles and junk modelling bits you have brought in for us. We will be asking the children what they would like their next LEAP to be.

Reception Hazel & Willow

HAPPY EASTER!

Thank you so much for all your support this term and for your children's hard work. We hope you have a lovely 2 weeks and we will see you in April!

Cooking

Thank you to all your kind donations for cooking back in September. If you are able to make another small contribution (£5 if possible please) to keep us going to the end of the year, we'd be very grateful!
