

## Just to let you know...

### Phonics

This week Willow Class are going to be learning 'one armed robot letters.' These are h, n, m, r, b, p and k.  
Hazel Class will be doing 'long ladder letters.' These are i, l, t, j, u and y.  
The children are really enjoying these sessions. Ask them at home if they can remember any of the letter formations and can show you how to write them.

### Parents Evening

Thank you to all of you for coming along to meet us. It was great to talk to you about the progress your children are making. We don't hold official meetings in the summer term. However a school report will be sent out with details of your child's learning, progress and next steps. If you want to talk to us in person, do come and speak to us or get in touch via email.

## Reception Hazel & Willow

### Maths

We are continuing to work with money in our maths lessons this week. We are working with 1p, 2p, 5p and 10p coins and using words like, pence, pennies, coins, cost, amount, how much altogether? Compare coins with your child at home. Do they know which ones are worth more and which are less? Last week we talked about how even though some coins might be physically bigger, it doesn't necessarily mean they are worth more..!

### Red Nose Day

This Friday (15th) is Red Nose day. Your child can come to school in mufti or they can dress up as an ingredients/type of food.

They also need to bring in a donation of £2 which will be exchanged for tokens. They will be able to spend these tokens on activities around the school. A letter has been sent home with all the details. There will also be information in the school newsletter. If you have any further questions, do speak to your class teacher.
