

Year One

Beech and Oak

14th March 2014

Sound of the Week

Look out for this week's challenge in the sound of the week books. It makes such a difference to the children's reading and writing when they practise their sounds every day.

We had a fun time at the Wild Place doing circuit training in the sunshine!

Dear Parents,

This week began with another exciting letter from the Dragons and the thrilling discovery of some passion fruits in the outdoor area! We enjoyed using our senses to explore the passion fruits and wrote a poem about how they felt, looked, smelled and tasted. We also had a very exciting house music event on Wednesday and the children enjoyed exploring different music makers in their houses.

Emily and Hannah :)

Don't Forget!

We are going to Guildford Library and Guildford Castle on Monday (17th March). Please make sure your child has their coat and comfortable shoes.

Maths Focus

This week we have been 'finding the difference' between two numbers. We used towers of cubes to find the difference by counting how many more the tallest tower had. We then had a go at finding the difference using an number line and counters.

Can you write out some number cards from 0-10 and choose two numbers? Find the difference by counting up from the lower number or using a number line. If you want an extra challenge, try numbers to 20 or higher!
