

Curriculum News

Maths:

Our week began with a focus on symmetry.

The children spent time folding and identifying lines of symmetry in 2D shapes.

They also explored the concept of symmetry through gymnastics and balance positions.

Writing:

The children worked on creating acrostic poems based on Greek myths.

Reminders and Notices

Greek Festival

We would like to invite you to a celebration of all that the children have learnt this term about the ancient Greeks. The afternoon will kick off at **2pm** with a short drama from 3C, a display of Greek dancing by 3G and finally a mini Olympic games by 3J. There will also be time for you to wander around year 3 and absorb all the wonderful topic work the children have done. It would be a great help if the children could bring their Greek costumes in a labelled plastic bag.

The Easter Hop!

We hope you are all looking forward to the Easter disco on Monday (23rd) from **4:45pm** until **6pm**. Please bring £1 and your best dance moves!

The Easter Service

The Easter service for the children will be held on Wednesday. It would be great if we could have some parents to help us walk the children down to the church. If you can, please email your child's class teacher.
