

## English

The children have enjoyed using their own Bibles to find out more about the Easter story. They made thoughtful comments and suggestions about the meaning of different Easter symbols.

They then went on to retell the story in their own words and some of them even wrote their own Easter book! All the children showed great enthusiasm for this activity and remembered a great deal from our Assemblies and Thoughtful times.

**Friday 27th March 2015**

## Maths

The children took part in an Easter Maths trail to revise and consolidate all the work they have been doing this term. Here are some suggestions if you would like to keep some Maths going in the holidays.

Can they .....?

Name all the different coins? Find 4 different ways of making 20p?

Count backwards in tens from 135 to 5? How fast are they? Try from different numbers.

Can they share things out so every one in the family has a fair share?

How can you share a pizza fairly?

What about chocolate eggs or sausages?

## Year 2 News

We hope you all have a safe and restful time over the Easter Holiday!

PE and swimming will both start on Wednesday 14th April.

The children will need an adult sized odd sock (we know you all have some!) to make puppets during art carousel. Please send them in a small named bag.

We are going to the Wild Place on the first Tuesday back, so please make sure your child has trainers/wellies in school.

## Activity corner

Look out for the signs of Spring...  
Make your own Spotters guide—  
find, sketch and identify different trees and plants.  
Which birds have you seen?  
Can you make a tally chart of birds you see in the garden or on a walk?
