

Curriculum News

Maths

We have been working hard on learning to tell the time from an analogue clock face. We have paid special attention to the hour hand and minute hand and *to* and *past*. All children made their own clocks and this really helped their understanding.

Writing

The children have had great fun this week devising their own mythical creature, thinking about their appearance, personality and special powers. They drew their creations and then went on to write about them incredibly creatively.

Greek Day

Year 3 looked splendid today in their chitons and enjoyed making Greek plates, mosaic tiles and pots. Actors came in from the Yvonne Arnaud Theatre and led the children in ancient Greek drama based workshops. The children learnt a great deal about life in ancient Greece and enjoyed presenting their gifts to Apollo.

Reminders and Notices

Red nose day: Year 3 will be raising money for Red Nose Day on **Tuesday 10th March**. This will be by means of a cake sale to be held at break. We would love to have lots of delicious cakes to sell to the rest of the school. It would be great if you could send them in with your child on that morning. Very many thanks.

Fluffy Friday: Friday 20th March

Greek Festival: Thursday 26th March 2pm chapel. This is an opportunity to come along and celebrate all that the children have been doing this term. We would love to see you there! It would be great if the children could wear their super chitons again.
