

Just to let you know...

This week the children have been thinking about how to plan a story using the Story Mountain. They were shown a clip of a children's film and encouraged to decide what happened next. Using their plan, they wrote specific part of the story.

In Maths, the children have been learning about tenths and hundredths. They used their understanding of decimal place to investigate a variety of problems.

Why not ask your child to relate their knowledge of tenths and hundredths to pounds and pence?

In R.E. year 4 have been comparing and contrasting the Jewish and Christian places of worship.

They have studied pictures of both and produced posters in groups to explain the key features of churches and synagogues, including both similarities and differences, showing their understanding.

Spellings of the Week

invention
tension
discussion
politician
extension
attention

possession
question
+ two of their
own!

Dear Parents,

A big thank you for being so generous this week and supporting the variety of charity events for Sports Relief.

Please accept our apologies for the cancellation of the Bentley Copse meeting. We will reschedule as soon as possible and let you know via Parentmail.

Reminders:

Wednesday 23rd March—Church service at 9.30am. Please let your class teacher know if you can help to walk there and back.

Easter Gardens—at lunchtime.

Easter Hop Disco, from 4.30 to 5.30pm.

Also, we finish for Easter next Thursday (24th) at 1.45pm.

Please continue to hear your child read and record it in their Reading Journal.

Have a lovely weekend,
Julia, Jo and James.
