

JTLYK Reception
Friday March 10th 2017

Wild Place

we will be going to the Wild Place on Tuesday to look at patterns in nature! Please sign up to help if you can.

Next week we are starting to attend regular whole-school assemblies on Mondays!

Dear Parents

Thank you for coming to the parent consultation meetings this week, it was great to catch up with you and talk about your children.

This week we have continued our sentence writing by learning how to use a capital letter and full stop. In maths we have practiced more of our number sentences using practical resources with lots of exercises and physical activities in the Rainbow Room!

We have begun to look at animal camouflage by studying Henri Rousseau's 'Tiger in a Tropical Storm (Surprise!)'. We painted tigers amongst the jungle and for extra measure placed collaged leaves in front of the tiger to keep him hidden.

Next week we will be looking at patterns from animals, numbers, repeating patterns, natural patterns and many more. If your child has any resources at home relating to animals or patterns, please send them in to share with the class.

Have a peaceful weekend.

Reception Team :))
