

Maths

In maths this week we have begun to look at angles, starting with direction and compass points and moving on to identifying different types of angles. We discussed how we measure angles and practised turning a given number of degrees!

Your child should have received a letter about Lumio. This is a great app/programme that the school has signed up to. For more information please see the letter. We would be grateful if you could make a contribution of £3, to be paid on ParentPay.

Dear Parents,

It has been a lovely final week of term in year 4! We have had a very busy week visiting the Church, running our Science Exhibition, watching a play on e-safety and taking part in lots of Easter activities.

Have a fantastic break and Easter,

James, Jo, Rachel, Maggie and Izzy

Swimming—4JW

4JW start swimming next term. If you haven't returned your child's letter please ensure this is done and that you have paid on ParentPay.

Bentley Copse

Just to remind you that the children have now all been given forms that need signing and returning. Please get these back to us asap.

You can now pay for this trip on ParentPay.

Homework and spellings

There will be no homework or spellings for the holidays. However, please continue to read with your child and to write in their reading record. Your child should complete at least 2 tasks over the holidays please!

Trip to the Chantries

On the first day back (Tuesday 18th April) we are going to the Chantries to look at the bluebells. Please ensure that your child has a coat if it is wet or cold and ensure your child brings wellies to school. If you are available to help please email your child's class teacher (we will be leaving at 10.30 and returning for 12.15.)

Science Exhibition

A big thank you to all of you who came to see our Science Exhibition. It was a huge success. The children loved having the opportunity to share their Crazy/Creative Inventions and showing you their lovely art work, as well as some of the scientific investigations we have carried out this term.

The Chopstick Glove

The Marshmallow Book

The Lego Car

Just to let you know...
