

The background of the entire page is a dense collection of colorful Easter eggs. The colors include yellow, blue, green, orange, pink, and purple. Some eggs have patterns like stripes or marbled textures. The eggs are arranged in a way that they appear to be piled together, filling the entire frame.

**JTLYK RECEPTION  
FRIDAY 31ST MARCH 2017**

**Working on speaking and listening.....**

We love to hear what your children have to say. We are working on learning to share news at times that are appropriate to minimise being interrupted.

Please encourage your children to take their turns to talk at home too. Thank you.

We are delighted to welcome back Helen Holloway who will be completing her SCITT teacher training. She will be based in Hazel Class on Mondays, Wednesdays and Fridays.

Dear Parents

Well done to all the children for a super term! It has been wonderful to see the progress they are making in their learning and their growing confidence.

We have sent home a form which each child will be sharing with the class on their return from the holidays. We would like them to share how they spent their Easter holidays. If your family have any traditional ways of celebrating, we would love to hear about it!

Have a lovely Easter break and see you on Tuesday 18th April.

Reception Team :))
