

Maths

We looked at formal written methods for multiplication and division then tackled word problems. If you would like to do some practise look at mymaths.co.uk (username: pewley password: squared) go to: number—multiplication and division—y5— short and long multiplication or y6— long and short division.

In SPAG this week we have been working on hearing syllables and stressed and unstressed vowels

embarrass,
familiar,
necessary,
secretary,
vegetable,
harass,
suggest,
system

Spelling test will be every Wednesday.
(If your child has been given spellings from Heather P, they won't be learning these ones too.)

Just to let you know...

Dear Parents,

We've had a great week and had lots of fun raising money for Comic Relief on Friday. If you weren't able to make the Brenscombe meeting, please ensure all forms are signed and returned as soon as possible.

We have another busy week before we break up for Easter but will be taking time out from the curriculum to think about the real message of Easter for 'Pause Day' on Monday.

Other dates next week:

Tuesday 28th—9.30 Easter Church Service

Thursday 30th March—Easter Gardens (lunchtime)

If you are able to help walk the children to and from church on Tuesday, please email your child's class teacher.

Don't forget, we break up at 1.45 next Friday!

Best wishes,

Bec, Heather, Laura and Nick

English and Topic

We continued to look at poetry this week, concentrating on kenning and narrative styles. The children studied a range of narrative poems and performed them in small groups. They looked carefully at the features of different types of narrative poetry, in preparation for writing their own, about the Ancient Egyptian underworld.

Homework

Please ensure all topic work is completed to the best of your ability, ready to put topic books together next week..
