

Year One

Beech and Oak Class

Friday 1st March 2019

Curriculum week

We have had a wonderful week learning about our school's values. Each teacher planned several activities that enabled the children to think about how each value impacts us at school and how we can use them to guide us as we grow older. We thought that Year One made great role models for Reception throughout the week too.

We look forward to launching our new Dragon's topic next week. We will be holding a dragon themed dress up day in Year 1 on Friday the 22nd March. Last year we had children coming in as a variety of characters such as, dragons, knights, princes and princesses.

Another polite request for recyclable food packaging for next Tuesday (5th March). Ideally we would like a good mix of packaging with and without the Fairtrade logo in order to aid our RE lesson. When we have finished using them in RE we hope to use the same packaging to build Chinese dragons.

Just a reminder that it is Pewley's parent consultations on Tuesday 12th of March and Thursday 14th of March. This week we sent home the time slots. Please do send these in by Monday 4th of March to enable us to provide you with your preferred times.

Have a lovely weekend,

Claire and Georgie
