

English

This week our writing has been based around learning what life was like as a Greek hoplite. The children researched great battles, training, tactics, weapons and clothing. This culminated in the children writing their own 'Guide to being an Ancient Greek Soldier'.

Maths

We have been learning to recognise different angles and to use a protractor. The children had great fun learning the 'Angles Song' and have enjoyed using the interactive link for measuring angles.

Follow this link to revise at home.

Topic

We had great fun learning about life as an Ancient Greek during our 'Greek Day' when the Yvonne Arnaud Theatre visited. We also learnt about Arachne, weaving our own spiders webs, printed our own Greek patterns and even made some Greek food!

The children had a great day on Friday with the Yvonne Arnaud Youth Theatre. They took part in a variety of workshops involving different creative Greek activities and acting. Thank you for providing the children with such brilliant costumes! Please hold on to their costumes as the children will need them for our Topic Afternoon on the 29th March. You are invited to Year Three from 2.00 pm to see all of their amazing topic work. You are welcome to take your children home once you have viewed their work.

Time Machines

Tuesday 26th March is our much awaited Time Machine Day. We will spend the day designing, making and evaluating our time machines so please send your resources in to school on Monday.

Visit to Pewley

On the morning of Thursday 4th April the Y3 children will be visiting our Y2 friends at Pewley to share their amazing Greek myths.

Pewley Downs

On Wednesday 3rd April we will be visiting Pewley Downs to look for signs of Spring. If you are able to accompany us, please speak with your child's class teacher. Children will need to change into their joggers and trainers before we leave.
