

Easter Gardens

We are looking forward to making Easter Gardens on Monday 1st April. If you are able to please send in small amounts of little plants, pebbles, moss, twigs, compost, a small plant pot for the cave and a small tray to build a garden. Please bring the material to school in a named bag. The children will bring their garden home on Monday after school. Thank you

Advance Notice!

11th June- Natural History Museum visit
(letter for this after the holidays)

Maths

We have been using bar models to help us solve tricky word problems and revising place value and number bonds to 20.

English

This week has had a spring theme! The children enjoyed our spring walk, writing acrostic poems and a letter to a frog giving it reasons to come to visit our lovely school pond!

Mother's Day

We hope you enjoy your day!

We will carry on changing the reading books next week and we will give you two books for the holidays.
