

Just to let you know...

In English this week we have been looking at the features of an adventure story; focusing on writing a really good setting to grab the reader's attention. Over the next week the children will be writing their own adventure story. Please have a chat to your child this weekend to see what ideas they've had so far.

Dear Parents,
Next week we will be having a DT day; building castles. Please send in any recycling that might be useful—cardboard, boxes, etc..

We are celebrating the Jubilee on Friday 1st June with each year group focusing on a decade of the Queen's reign. Year 5 are looking at the 1960s. We are asking for children to dress up or wear something with a 60s theme—it doesn't need to be too elaborate!

Next Friday is Fluffy Friday—please remember your £1.00! Thank you to everyone who has volunteered to help.

Best wishes,
Bec, Henry and Mary

We had a lovely morning at Guildford castle, sketching it and comparing it to Corfe Castle. We then had a tour of Guildford Museum, in preparation for our town comparison of Guildford and Dorset. The children will be planning and carrying out a town survey in the coming weeks.

Please keep up the regular reading and use the reading records to keep in touch.

In maths this week we have been looking at number sequences, patterns and have started to look at algebra. There's a nice activity on the bbc website—have a look if you get a chance:

http://www.bbc.co.uk/schools/ks2bitesize/maths/number/number_patterns/play.shtml

Please remember to keep practising times tables at home.
