

Just to let you know...

In English this week we have been writing their Adventure stories, which will be finished next week. Why not ask your child about the plot and how they are going to resolve their problem.

Please remind them to learn their spellings for Monday.

Next week

- Wednesday 30th May, County School morning visit, please bring children to school as usual and we will walk them down. They will need a packed lunch.
- We are celebrating the Jubilee on Friday 1st June with each year group focusing on a decade of the Queen's reign. Year 5 are looking at the 1960s. We are asking for children to dress up or wear something with a 60s theme—it doesn't need to be too elaborate!

Thanks for all your help with Fluffy Friday, we've had a fantastic day!

Best wishes,
Bec, Henry and Mary

We had a great DT day building a variety of castles. The children worked in groups and had to assess their own work in terms of working together as a team, listening to each others ideas, following a brief etc. All important life skills and the reflection gave the children an opportunity to evaluate their own contributions to their project.

Please keep up the regular reading and use the reading records to keep in touch.

In maths this week we have continued to look at number sequences and patterns.

We have also been organising our survey of Guildford and would appreciate any help on Wednesday 30th after lunch, please email your class teacher if you can help. We will be showing our results on a variety of media.
