

Just to let you know...

In order to prepare for our trip to Brenscombe next week, we have used our non-fiction reading skills to find out about castles. The children will now be experts when they spend time at Corfe Castle — spotting all the castle features!

Please keep up the regular reading and use the reading records to keep in touch. Send your child to Brenscombe with a book!

Dear Parents,

We are so excited about our trip next week—please make sure you check the kit list this weekend. If you missed the meeting last week, here are a few general reminders:

- Please don't rush out and buy new clothes/shoes—it's an activity week and so children should bring just old clothes and trainers
- We have asked for each child to bring a packet of biscuits (no nuts please) and hand them in to a member of staff on Tuesday morning. We will then distribute them as afternoon snacks each day.
- All medicines should be clearly named and labelled and handed in to Mary on the morning of the trip
- If you want to send a letter or a card to your child, please do so by putting it in their bag; we are asking that letters aren't sent to the centre, as this can be upsetting for children who don't receive mail.
- Feel free to send a camera (preferably not valuable) with your child but please don't send any other electronic equipment—ipods, mobile phones or games consoles. They don't need any money, as there won't be an opportunity to spend it
- If you get a chance, a quick lesson in how to put a cover on a duvet and pillowcase would be a good idea as children will have to make their own beds from scratch at Brenscombe

See you early (7.45) on Tuesday morning!

Best wishes,  
Bec, Henry and Mary
