

Topic fun

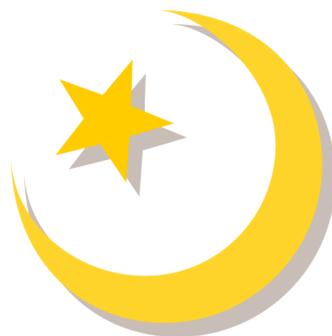

The children have had a wonderful week learning about Islam. They have written beautiful Reflective Diaries about Mosques, Ramadan, Id, Hajj, prayers and customs. We had interesting discussions about what we would find hard to give up for a month each year, whilst thinking about what kind of charities we would give some of our pocket money to EVERY week...

The children have made geometrical window mosaics and prayer mats., planned a special meal and calculated how much money it would cost! Many thanks to Mrs Katmeh who came to talk to us about being a Muslim and let us dress up and sit on her beautiful prayer mats!

I'm bored box

Keep your fingers crossed for some more sunshine this half term week! Go outside and enjoy your garden or the park. Take a kite, a Frisbee or a bike and have a nice time in the fresh air! Why don't you help mum or dad make the sandwiches for a family picnic—can you make sure there is enough to share them equally?

How does a dinosaur get its food?

What happens in a minaret?

Why is going on holiday different from going on a pilgrimage?

This week

These are the questions we have been thinking about this week. See if you can answer them all ...

How does a dinosaur defend itself against predators?

Nuts and bolts.

igh

Practise in your best curly handwriting! Then try spelling some 'igh' words: Bright, mighty, lightening, sigh ... can you think of more?

Some Dates for your Calendar!

Tuesday 4th June-Year 1 and 2 walking to HT to visit author Jeremy Strong.

Wednesday 26th June-Year 2 to bring packed lunch.

Tuesday 2nd July - Pewley Dinosaur Museum!

Thursday 4th July - Year 2 to bring packed lunch.

Tuesday 9th July - Sports Day at Pewley

Wed 10th and Thursday 11th July Year Two Move Up days at HT. More details later.

Wednesday 17th July - Open Afternoon at Pewley

Monday 22nd July - Year Two to the beach all day followed by BBQ at school.

Tuesday 23rd July - Leavers' Assembly

Dinosaur Writing Corner

Can you make a dinosaur from things you find in the garden? Use sticks for the skeleton, leaves for the scales and stones for the claws and teeth. What else could you use?

Take a photo of it and then write labels to show us all of the parts. You could use pencils and paper or even try doing it on the computer!
