

Maths

This week we have been measuring and weighing our dinosaur bones! We have revised using 'cm', 'kg' and 'g'. We are looking forward to using the data we have collected to interpret and compile tables and bar charts next week.

Have a go at spelling these words

hot trot fetch carry
walked because
feelings sticks spoke
given food posters
pond window
wheel grass people
bushes blanket
horse

Things to Remember

Natural History Museum Trip
You should have received letters about the Natural History Museum trip. Please make sure they are completed and returned to school next week.

Wild Place and Group Reading
We are desperate for volunteers to help out, please let us know if you are able to help for an hour during the week.

Pedometers

Chestnut Class have really enjoyed using their pedometers this week and next week it will be the turn of Walnut Class. Look out for instructions coming home and please keep them attached to your child at all times.

I'm Bored Box

Make a 'time machine' and travel back to the time of the dinosaurs What kind of adventure will you have? What

Writing Corner

Look at the Natural History Museum website. Choose a dinosaur and make some notes about it. Don't forget to pick out the key information and use the headings to help you.
