Dear Parents,

Thank you for your continued support, we really do appreciate it.

Please remember that it is just as important for the children to rest as it is to work at the moment so do encourage them to have some time to do just that this weekend.

See you Tuesday! Best wishes, Sarah, Cheryl, Mary, Clare and Helen

**WELL DONE!**

Well done to all the children this week! They all focused so well during their practice SATs and did their absolute best.

We have also introduced begun to introduce our Victorian topic through some creative writing. If you have a chance to start doing some independent research on the Victorians then please do so. We will be starting our topic in more detail once SATs are over.
