## Reminders and Notices

Thank you to all of you that have signed up to help with the different parts of the sleepover. We really appreciate your help. We are still looking for help with the afternoon (including walking back to school) and any parent that are able to supervise/run small activities in the evening. This could be as simple as getting the lego or board games out! Please could you email your class teacher if you are willing and able!

All the classes have now been to Henley Fort. These experiences have already proved invaluable and they have been able to apply what they have learnt in their writing this week.
