

# JUST TO LET YOU KNOW

## CURRICULUM NEWS

### Maths

The children have been working hard this week on capacity. They loved all the practical activities outside and now have accurate ideas of what different amounts look like. They went on to apply what they had learnt in problem solving situations.

### Literacy

The children's fantastic poems are now finished and what a super job they have done! We have gone on to look at the propaganda used during the war, noticing the language used and the impact that had. The children have gone on to design their own posters.

### Spellings

Please could you go back through your spelling lists from this half term, looking carefully at commonly misspelt words and patterns, for a test on Monday.

## Reminders and Notices

**Sleepover** Thank you to all of you that have signed up to help with the different parts of the sleepover. We are very grateful. Any extra help with the evening would still be really appreciated.

**WWII Tea Party** Thursday 25th June. This is a wonderful opportunity for any older/elderly friends or relatives to come along to school to share any memories or experiences of the war with the Year 3 children.

**Multiplication Tables** Many children have been working so hard learning specific tables-very well done! Please take this opportunity over the holiday to keep going with this...glorious tables cds in the car, games for ipads and multiplication snap all make this much more fun!
