Snack 2:15-3:30

Friday 10th:
Breaking camp 8.00-9.30

Please email James, if you are able to help with any of the above jobs. Many thanks!

Dear Parents,

Many thanks to those of you who have signed up to help us at Bentley Copse. We really appreciate your support. There are only a few slots left to fill, so if you are able to come and join us then please pop in and see James or email him on:

jamesp@htpd.surrey.sch.uk

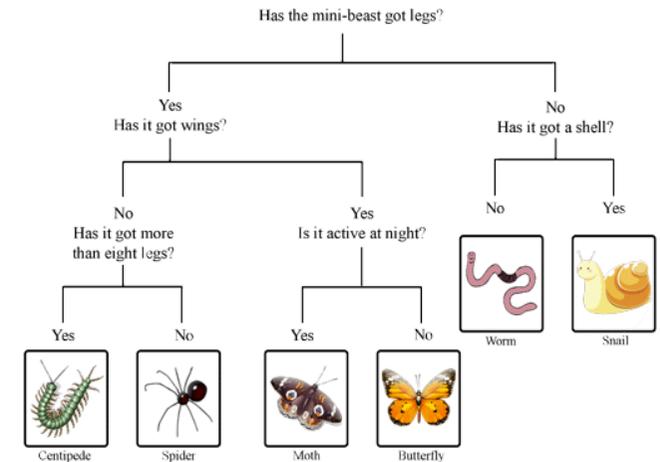

We're just chasing up the last few permission slips and medical forms for the trip; if you haven't handed yours back yet, please do so as soon as possible.

There is an assessment evening for all parents next Tuesday 17th at 7pm in the chapel, we look forward to seeing you there.

Thanks and have a great weekend.
James, Jo, Heather and Bec

SCIENCE

In science this week we have been creating classification keys. The children went on a nature hunt to find local wildlife and created keys from this.

MATHS

We have been looking at ratio and working out how to find ratios of given things. We have also done a bit of revision of column addition and subtraction. Ask your child if there is any area they don't feel confident about and you can revisit it:

<http://www.mymaths.co.uk/>

Login: pewley Password: squared

Go to:

number, ratio and proportion, ratio introduction

Or:

Number, add subtract written, adding in columns or subtracting columns

ENGLISH

This week, we have been looking at storytelling and the children took turns to orally retell their stories.

We also created timelines of the environmental changes throughout the story and focused on including prepositions.

We finished off our study of 'The Window' with a short comprehension.

Spellings

Please look at and learn these spellings for Monday, as well as two of their chosen spellings, which will be in reading journals.

treasure	pleasure	leisure	measure
exposure	enclosure	composure	visual
usual	casual
