

Just to let you know...

Dear Parents,

The children have continued to enjoy the new break time activities and we had a great afternoon at 'Stay and Play' so thank you to those of you who joined us.

We had a great afternoon on Monday as a whole year group playing cricket, tennis and basketball. It always helps when the sun is shining!

Louise was really impressed with their sentence writing in French so thank you for taking time to learn this at home. Ask them to describe animals and their habitats to you in French!

Have a great weekend,
James, Jo, Rachel, Maggie and Georgie

Spellings

Please look at and learn these spellings for Monday 15th. We are continuing with dictation with the children, which is working well to help them understand the meaning of each word.

cycle, unicycle, uniform, triangle, metre, centimetre, colon, semicolon, circle, semicircle

English

In English this week we have continued to look at the book 'Window' by Jeannie Baker. We started the week looking at using speech bubbles and turning this into speech. The children enjoyed making up their own ideas as the book has no words. We continued the week by planning a formal letter to Sam's parents after one of his friends kicked a football through the window. They planned and wrote these well.

Bentley Copse

Thank you to all those who have returned their forms. We are just waiting for a few forms to be returned so please get these to Jo asap. If you need another one please come and see us.

Lumio

Thank you for completing last week's homework on Lumio. Please continue to have your child use Lumio at home whenever they want to. There are some great activities on there which reinforce the week's learning. We will set another Lumio homework soon!

Maths

This week we have focused on factors of numbers and using known division and multiplication facts to help solve tricky sums. The children loved the activity toward the end of the week where they had to scale classroom furniture and equipment for a giant to use!

Homework—Letter writing

The homework this week is to respond to a formal letter they have received from Mrs Webb complaining about her purchase of some land in Scotland. We look forward to reading their responses!
