

# JUST TO LET YOU KNOW..

## Maths

In maths this week we have been focusing on reasoning about and investigating number. This led into our 'Weekly Word Problems' where we continue to develop our understanding of RUCSAC and the four operations.

## English

We used our understanding of informal letters to write super 'Thank you' letters to the staff at Henley Fort. We are really proud of how much care the children are taking with their presentation and how efficient they are at using a dictionary to check for unknown spellings

## Science

The children researched the Sun and have made super pop-up fact books to showcase their new knowledge.

Did you know that you could fit one million Earths inside the Sun?

What other interesting or unusual facts can you find out?

## Spellings

gradually  
eventually  
surprisingly  
calmly  
finally  
swiftly  
painfully  
happily  
endlessly  
defencelessly

## WW2 Tea Party

The children will be hosting a WW2 tea party on Thursday 13th July at 2pm in the Hall—details to follow!

## NOTICES

Year 3 Sleepover Meeting on Thursday 8th June at 7pm. There will be a meeting to discuss the arrangements and itinerary for the Year 3 sleepover. It will be held in the school Chapel— please add this date to your diary.

HTPD Fun Run at Shalford Park on Sunday 21st May

All entrants are asked to fill out a sponsor form - We look forward to seeing you as an entrant or encourager!

FLUFFY Friday is next week on the 26th May. Please ensure your child brings in £1 and wears clothing appropriate for the activity they are participating in. Children will know their activity on Monday.

## Library 'Curiosity Kits'

Please make sure these are returned to Geraldine by Thursday to enable her to check the kits for the next group of children.
