

JTLYK RECEPTION
Friday May 19th 2017

Sandcastle Extravaganza

We have raised nearly £1k !! Thank you so much for your generous support and don't forget to send in your sponsorship money so that we can add it to our (very) grand total!

Ground Force Sunday

Thank you so much to everyone who came to help on Sunday. The grounds look amazing and the children were so excited to see lots of new learning opportunities, including the mud kitchen and water wall!

ICT Questionnaire

To help us complete our end of year assessments of the children's progress, we are sending home a questionnaire next week. This will ask specific questions about your child's ICT knowledge and skills. Please send these back to school straight after the half term holiday. Thank you!

Dear Parents

The children have been enjoying our lovely outdoor areas this week, investigating and exploring water, mud and lots of snails!

We have been learning all about 'time' including months of the year, days of the week and every day language such as 'later' 'now'. We have also started to tell o'clock times (with the big hand straight up to the twelve and the short hand on the hour) and learned songs and stories related to time. At the Wild Place we set ourselves time challenges using stop watches and timers, finding out how many jumps or running laps we could do in one minute!

Reception Children are taking part in the whole school Fluffy Friday next week, so look out for notice of your child's activities coming home soon. We are very excited to be going to the Look Out Discovery Centre on 14th June for our annual 'big trip'. A letter has come home in book bags this week so do let us know if you haven't received yours!

Have a lovely weekend.

Reception Team :))
