

Just to let you know...

Bentley Copse: Help still needed!

A big thank you to everyone who has signed up so far to help out. We still require volunteers for the following:

Wednesday

- Activity helpers: 11:30-12:30, 13:00-14:15, 14:30-15:45
- Games on the field: 16:45-18:00

Thursday:

- Serving snacks and drinks: 14:15-14:45
- Games on the field: 16:45-18:00

Friday

- Striking camp: 8:00-10:00

Please see the sign up sheets in the Year 4 area or email James (jamesw@htpd.surrey.sch.uk).

Spellings

Please look at and learn these spellings for Monday 8th. We are continuing with dictation with the children, which is working well to help them understand the meaning of each word.

fixed, transfixed, form, transform, planted, transplanted, acted, overacted, excited, overexcited

Dear Parents,

The children have really enjoyed the new break time activities and we had a great afternoon at 'Stay and Play' so thank you to those of you who joined us.

Thank you also for the massive effort that yourselves and your children have put into their windows homework. We have put their work on display and they look fantastic!

Have a great weekend,
James, Jo, Rachel, Maggie and Georgie

Head Lice

Please can we remind parents to regularly check their children's hair for head lice. We have had continuous cases in year 4 and therefore it is important that their hair is treated **and** combed. Remember that their life cycle means that only one live louse becomes an infestation in 2 weeks! Please ensure long hair is tied up.

Homework—Lumio

The homework this week is to login to Lumio and complete the tasks set by us. It is a recap of what we have done this week (decimals). To access this please log in to Lumio and then click 'My Lumio' and the tasks will appear! We will log in on Wednesday 10th to see who has completed the homework.

Bentley Copse

Thank you to all those who have returned their forms. We are just waiting for a few forms to be returned so please get these to Jo asap. If you need another one please come and see us.

English

In English this week we have started looking at the book 'Window' by Jeannie Baker. We looked at the pictures and thought about environmental changes. After discussing the story and what it is about, we planned and began to write the story, thinking of the key events that Sam would mention if he was telling the story in real life today. Why not take a look? <https://www.slideshare.net/MrsJuteau/windows-2992791>

Maths

This week we have focused on decimals and considered the importance of place value. The children started off by placing numbers with two decimal places on a number line and then later on in the week began to add and subtract numbers with one and two decimal places.
