

# JUST TO LET YOU KNOW..

## Maths

In maths this week we have been reasoning about number and solving problems, including missing number problems and using number facts to demonstrate our understanding of place value. Our knowledge was then used, expertly, to solve word problem involving all operations.

## Literacy

The children have been busy writing a recount of their visit and thank you letters to the staff at Henley Fort. They have also caught up on 'Spywatch' showing us their great use of SPAG elements; this week we looked at adverbs and fronted adverbials.

## Topic

We used I-pads and non-fiction books to research the sun. The children found out some amazing facts and have created their own 'pop-up' books to showcase all they have learnt.

## Henley Fort Trip

Please check that your payment towards the cost of this trip has been paid using PARENTPAY – Many thanks

## FLUFFY Friday

FLUFFY Friday is on the 25th May. If you would like to help out in any of the activities please email

[jib@htpd.surrey.sch.uk](mailto:jib@htpd.surrey.sch.uk)

## Y3 Sleepover

There will be a meeting in the Chapel on Thursday 7th June at 7pm to go through the details for our day and the arrangements for the sleepover – we look forward to seeing as many of you as possible.

Henley Fort was amazing and we had great fun learning about the Home Guard and ARP Wardens.

## Spellings

gradually  
eventually  
surprisingly  
calmly  
finally  
swiftly  
painfully  
happily  
endlessly  
defencelessly
