

Year One Beech and Oak 25th May 2018

Fluffy Friday

Everyone had a great Fluffy Friday! The children were able to enjoy a range of activities from origami, walking and den building, to learning how to cook a variety of dishes at Wagamama!

We have come to the end of our penultimate half term in Year One which sounds very sad but we have had a great last week! We have enjoyed writing short stories by completing sentence starters. It was lovely to see everyone adapt other stories as well as use a range of adjectives to make their stories sound interesting and exciting to read.

We spent part of Wednesday morning reflecting on our learning this half-term and thinking about which achievements we are proud of as well as what we want to get better at after the break.

Please do continue to practise reading both real and fake words with phase 3 and 5 sounds in them over the holiday. We are very grateful for your support when it comes to reading and completing the sound of the week book. We have sent home a short phonics pack for your child to read through when they need something to do.

Thank you to everyone who was able to come in on Thursday afternoon to look at the work we have done this half term. We know you are all very busy so we really do appreciate seeing you and being able to celebrate everyone's achievements. If you were not able to attend then you are always welcome to come in and see your child's work at another time.

It is Healthy Week the first week back. This is an opportunity for everyone to try sports they wouldn't normally, as well as talk about how we can keep fit and healthy. PE kits will need to be in everyday throughout this week.

We wish you a wonderful half term break!
Georgie and Claire
