

Just to let you know

Dear Parents.

In the lead up to SATs, the children are continuing to work very hard at school!

There are a number of ways to support your child at home too:

- Test spellings from the Yr5/6 spelling list that was sent home (you can also find this online – discuss different rules.
- Revise maths using your child's Maths Facts homework book and visit the Piecorbett maths website (<https://corbettmaths.com/5-a-day/primary/>)
 - Ask comprehension questions whilst reading with your child.
- Please also ensure that your child is completing their reading task with correct punctuation, spelling and grammar!

Thank you for your continued support!

JJ, Tom, Helen and Mary

Topic

Recently the children have learnt about how Baghdad was a centre for knowledge in the Islamic Golden Age. They have also learnt about the importance of its location on the Silk Road for trading and accumulating wealth.. After looking at the geographical

features of a successful city, the children have now begun designing their very own.
