

# Just to let you know...

## Sound of the Week

This week we are revising 'th'  
See if you can help your child complete the challenges!

At school we practised writing **thank** you letters to the **tooth** fairy so next time the tooth fairy visits it will be very easy for them to write their thank you letter!

## Year One: Beech and Oak

Remember it's **FLUFFY** on Friday 23rd November. Check your child's book bag for the letter offering the choices for this month's **FLUFFY** and return **ASAP** to the office.

## **HELPERS NEEDED!**

**Our trip this half term is to Guildford Museum for an exciting old toy workshop. Oak class will be going on the 3rd December and Beech class on the 4th December. Letters in bag next week!**  
**If you are able to come along and help please speak to Emily or Hannah.**

This week has been all about stories. We have shared so many stories; we didn't even know we had that many stories about bears! The children have been so busy making puppets and making up stories about their characters. Thank you for coming to parents evening. It was lovely to see so many of you and to share and celebrate your children's progress with you. The children enjoyed visiting the library again this week. We hope you are having fun sharing the books with them each week.

**Emily, Hannah, Misha and Sam x**

## Maths Focus

Next week we will be learning to double numbers to 5. Ask your child to teach you how to play "Double it". If they know their doubles to 5 by heart have a go at exploring doubles to 10 or beyond!

Do you notice any patterns when you double numbers?
