

## Year 6 Group Room

---

This week we've had fun composing radio commercials for our breakfast cereals. Next time you're watching ads on tv or listening to them on the radio listen out for catchy phrases - they're grrrrreat!

Next week's spellings are:

Leave, might, opened, show, started, stopped, think, thought, told

Don't forget to listen to your child read as often as possible.

Have a great weekend!

Lynn and Tina ☺
