

# Just to let you know...

## Year One: Beech and Oak

### Sound of the Week

This week we are revising 'ch' as in chocolate and chips!

Look out for the 'Sound of the Week' books in your child's book bag.

**Our next exciting Year One trip is coming up so please look out for a letter in the book bags soon!**

We are looking forward to seeing you all next week at the parent consultations on 14th and 15th November. You should have received your appointment times by now so please ask us if you have not found yours yet!

### Photographs

We hope you found order forms from the school photographer in your children's book bags this week. Please send them back as soon as possible.

### Maths Focus

Next week we are going to be learning to measure with our hands, feet, rulers, pencils and anything else we can think of.

We will also be making 'metre toys' to explore the school with. Ask your child if they can explain what we did and perhaps you can try to do some measuring at home too.

Wow! What a busy first week back at school. When the children arrived on Monday with their favourite cuddly toys there was such excitement in both classes. We shared our toys and talked about why we love them. We brainstormed lots of words and we wrote our own poems about our toys. We also started to make our own class story books by making up stories together. Next week we will be being even more creative as we attempt to make up our own individual stories!
