

REMINDERS

We hope you had a lovely Half– Term holiday. It was great to catch up with the children and their news.

We look forward to seeing you at Parents' Evening on Tuesday 20th November 6–8.30 & Thurs 22nd Nov 4-6.30

CURRICULUM

This week the children have been putting the finishing touches to their 'Escape' stories; concentrating on editing and improving their work.

In Maths, we have been learning the column method of addition. Practising 'setting out' and recording calculations. We are continuing to use standard units of measure involving Capacity and Mass. This is a good topic to reinforce at home. Can the children recognise the weight labels on different 'kitchen cupboard' products and arrange them in weight order?

Your child should have come home with a letter regarding an opportunity to do a very informal presentation on their favourite animal. This is in response to the children's great enthusiasm and desire to carry out their own research at home.

SPELLING FOCUS

This week we have looked at the double 'ee' sound in the middle of words.

street, week, queen, speed, steep, screen, heel, need, seed sweep, greedy.

Don't forget to learn your extension words.

Just to let
you
know.....
