

Topic Fun

Thank you for joining us at our wonderful Great Fire of Pewley on Tuesday, we hope you agree that it was quite impressive when all alight!

Today we have had a fantastic trip to St Paul's. It was fascinating hearing about the Great Fire of London on a tour of the Cathedral. We were very brave and climbed up to the Stone Gallery where we could see the Pudding Lane Monument as well as lots of churches and other famous buildings. We really enjoyed lying on our backs to look at the beautiful mosaics on the ceilings. This week we have been thinking a lot about churches - writing our own prayers, role playing christenings and weddings, looking at Christian symbols. We even made our classroom look like a church by moving the furniture around in the classroom so we had an alter, aisle, pews, font and lectern!

Friday 15th November 2013

I'm Bored Box

Make your own church! Use material and boxes to make the space and decorate it. What will you have in your church? Is it the same or different to churches you have been to? What makes you feel close to God?

Things to Remember

Guided Reading - the children should now know their Guided Reading days. Look in the JTLYK books. They will need to be in school at 8.40 prompt.

We still need more volunteers to so please come and see us if you can help for 20 minutes once a week.

Writing Corner

Have a look at prayers and poems at home. Does anyone in your family have a favourite prayer or poem? Why do they like it?

Write a prayer of your own, decorate it beautifully so that it can go up in your bedroom. Bring it into school so we can see it too!

Maths

This week we have been learning how to 'find the difference' between 2 numbers, using cubes, number lines and hundred squares. Can you find the difference between: 6 and 11; 22 and 31; 17 and 26?

Finding the difference is quite a difficult concept for children. As adults we understand that finding the difference is a form of subtraction, however at this stage we are teaching it as a separate idea so please don't tell your children that it is the same as 'taking away' as this is likely to confuse them. Thank you!
