

# Just to let you know...

This week we have taken a break from our Invaders Topic to learn about the First World War (1914-1918) and discover why we still mark Remembrance Day on November 11th each year.

We have written poems, made poppy wreaths and used drama to help understand something that happened nearly 100 years ago.

On Friday we visited Guildford Castle grounds to hold a Memorial Service for Remembrance Day.

## Spellings

occasional	rhythmic
national	specific
traditional	numeral
remembrance	capital
stationary	siege
Dictionary	necessary
February	historic

Year 4 visited Addison Road War Memorial on Monday, where we listened to war poetry and reflected on the lives of soldiers who gave their lives to protect the country.

Dear Parents,

Please remember that it's Maths Evening on Thursday 21st November, at 7pm. It'll be a great opportunity to chat through the methods we teach, to see the level we pitch our work and for you to ask any questions that you may have. We hope to see lots of you there!

It would be fantastic if you could send in any spare boxes or pieces of cardboard you may have lying around in your recycling bin at home, we will need these for various D&T projects, which will be used in our Invaders Market.

Next Friday is our Christmas FLUFFY and we would love it if any of you are available to help us bake gingerbread! Please email your child's class teacher if you are able to join us.

Have a lovely weekend,  
Julia, Mel and Sheila.

## Maths

This week, we have learnt about 'time' and how to read and record it, in both analogue and digital forms. We have looked at 12 hour and 24 hour clocks.

Next week, we will be looking at solving problems involving time. *Where might you see timetables outside of school?*

If you'd like more support, have a look at the MyMaths website choosing either level 3 or 4, Shape, Measures and then telling the time activity.
